— Quality Staffing Solutions —

Who We Are

Best Choice Care is a healthcare recruitment agency specialising in the placement of healthcare staff to Nursing and Care Homes, Hospitals, Clinics, Mental Home Institutions, Supported Living and Learning Disability Units on temporary and permanent basis.

At Best Choice Care, we understand the sensitivity and the importance of high standard required in the delivery of care service. We, therefore, ensure that the people we employ have passion for the healthcare industry, because we are aware that only the right people can deliver the right service. As a recruitment agency, we provide diverse staffing needs to our clients including:

- Temporary and contract staffing,
- Permanent recruitment,
- Covers for shifts, rotas, annual and sick leave.

Dependable, Professional & Reliable

From the services we provide, through our staff and to the experience of our clients, we stand for quality. We want the very best for you and our staff.

We are a leading provider of healthcare and domestic staff. Best Choice Care also has a singular sense of purpose – to provide outstanding care and service to all of its clients and workers. Hence it has expanded its services to complement its care services and continue to excel in satisfying and exceeding clients' needs.

Our Services

At Best Choice Care our recruitment services cover the supply of Support Staff, Healthcare Assistants, Registered Nurses, Occupational Therapists, Physiotherapists and Healthcare Administrators/Clerical Staff for short-term and longterm assignments. Our candidates cover a wide range of disciplines and levels, each with an assortment of qualifications and expertise. Best Choice Care offers a complete solution to your diverse staffing needs.

Best Choice Care is consistently seeking to deliver a professional, bespoke service to our clients. With the knowledge of market conditions and trends Best Choice Care is in an excellent position to advise clients and candidates alike to ensure the most accurate solutions to your requirements are always given.

Rather than looking just at the skills requirements, we also seek to understand the business requirement behind any decision to recruit, helping us provide the most appropriate candidates that will be effective as quickly as possible. This will also save you time, a valuable commodity to any hiring manager whose primary function may not be recruitment.

Our Key Objectives

At Best Choice Care, we pride ourselves on our recruitment procedures and compliance standards. We are proud to offer our clients high-quality candidates who are trained and thoroughly inducted as part of a service package, which is cost effective for our client.

At Best Choice Care, we believe that care and compassion should be at the centre of the service we provide. This is why we endeavour to provide staff who are dedicated to their profession, whose first and foremost concern is patient/client wellbeing.

Our Recruitment Standards Include:

- Thorough screening and ensuring that best candidates are selected.
- Validated reference checks, ensuring that our workers' CV's are fully compliant, which includes checking the DBS, mandatory training and any other relevant information.
- Proof of identification and immigration status.
- Quick response to fill up vacancies, bearing in mind that time is of essence.
- Partnership with each client to work on agreed timescales

Our Specialist Areas:

- Qualified and Unqualified Healthcare Professionals.
- Registered General Nurses.
- Registered Mental Health Nurses.
- Healthcare Assistants.
- Occupational Therapy and Manual Handling Assessments .
- Physiotherapy and Mobility Assessments.
- Support Staff and Social Care Workers.
- Healthcare Administrators / Clerical Staff.
- Hospitality / Catering.

Training

Best Choice Care offers opportunities to develop healthcare professionals and new enthusiastic candidates to give them the necessary footing in the healthcare industry. We not only train individuals who are new to care, but we endeavour to place them with our numerous clients across the UK. We have several approved and certificated e-learning courses tailored to support staff with their statutory professional development, as well as face-to-face courses designed to help them develop their soft skills.
